

Instruction

Physical Education and Activity

The Board of Education recognizes the positive benefits of physical activity on student health and academic achievement. The District shall provide all students the opportunity to be physically active on a regular basis through high-quality physical education instruction and may provide additional opportunities for physical activity throughout the school day. The District's physical education and activity programs shall support the District's coordinated student wellness program and encourage students' lifelong fitness.

The District's physical education program shall provide a developmentally appropriate sequence of instruction aligned with the states' model content standards and curriculum framework. The Superintendent or designee shall ensure that the District's program provides students with equal opportunities for instruction and participation regardless of gender in accordance with law.

The overall course of study for grades 9 – 12 shall include the effects of physical activity upon dynamic health, the mechanics of body movement, aquatics, gymnastics and tumbling, individual and dual sports, rhythms and dance, team sports, and combatives. (Education Code 33352; 5 /CCR 10060) The Board shall approve the courses in grades 9 – 12 for which physical education credit may be granted.

The District's physical education program shall engage students in moderate to vigorous physical activity, as defined in the accompanying administrative regulation, for at least 50 percent of class or session time. The Superintendent or designee shall develop strategies to monitor the amount of moderate to vigorous physical activity that takes place in the physical education instructional program.

Students with disabilities shall be provided instruction in physical education in accordance with their individualized education program or Section 504 accommodation plan.

During air pollution episodes, extreme weather, or other inclement conditions, physical education staff shall make appropriate adjustments to the program or shall seek alternative indoor space to enable students to participate in active physical education.

Staffing

Physical education instruction shall be delivered by appropriately credentialed teachers who may be assisted by instructional aides, paraprofessionals, and/or volunteers.

The District shall provide physical education teachers with continuing professional development, including classroom management and instructional strategies designed to keep students engaged and active and to enhance the quality of physical education instruction and assessment.

Physical Fitness Testing

The Superintendent or designee shall annually administer the physical fitness test designated by the State Board of Education to students in grades 5, 7, and 9. (Education Code 60800; 5 CCR 1041)

Two Year Exemption

With the student's consent, the Superintendent or designee may exempt a student from physical education courses for any two years during grades 10-12 provided that the student has satisfactorily met at least five of the six standards of the state's physical fitness test in grade 9. (Education Code 51241)

Upon request by students and/or their parents/guardians, the Superintendent or designee may administer the physical fitness test to students in grades 10-12 who need to pass the test in order to qualify for a two-year exemption from physical education courses.

Temporary Exemptions

The Superintendent or designee may grant a temporary exemption from physical education under either of the following conditions: (Education Code 51241)

1. The student is ill or injured and a modified program to meet his/her needs cannot be provided.
2. The student is enrolled for one-half time or less.

Permanent Exemptions

The Superintendent or designee may grant permanent exemptions from physical education to an individual student under any of the following conditions: (Education Code 51241)

1. The student is age 16 years or older and has been enrolled in grade 10 for one or more academic years.
2. The student is enrolled as a postgraduate student.
3. The student is enrolled in a juvenile home, ranch camp, or forestry camp school with scheduled recreation and exercise.

Other Exemptions

The Superintendent or designee may grant an exemption from physical education under the following special circumstances:

1. The student is in high school and is engaged in a regular school-sponsored interscholastic athletic program carried on wholly or partially after regular school hours. (Education Code 51242)

Additional Opportunities for Physical Activity

The Superintendent or designee shall develop strategies to supplement physical education instruction with additional opportunities for students to be physically active before, during, and after the school day.

The Superintendent or designee shall annually report to the Board the results of the state physical fitness testing for each school and applicable grade level. He/she shall also report to the Board regarding the number of instructional minutes offered in physical education for each grade level, the number of two-year and permanent exemptions granted pursuant to Education Code 51241, and any other data agreed upon by the Board and the Superintendent or designee to evaluate program quality and the effectiveness of the District's program in meeting goals for physical activity.
