# College Testing Information 2017- 2018

Most four-year colleges and universities require either the SAT or the ACT as part of their admissions process. Students are encouraged to take either or both tests for the first time at the end of their Junior year, and then repeat one or both their Senior year to see if they can improve their scores. ***For both tests, photo identification must be uploaded when registering online.***

Athletes, who have registered with the NCAA Eligibility Center, should identify NCAA as one of their test score recipients.

IMPORTANT NOTE FOR SENIORS: The last test date accepted for most college applications is December.

News Flash!

OUSD is once again partnering with College Board to offer in school SAT testing to all district high school students. On **SAT School Day *(Wednesday, October 11, 2017),*** students in grades 9-11 will take the PSAT and 12th grade students will take the SAT during the regular school day.
There is no cost to students.
